

DEN Ambassador Program

Apply for Fall 2017 Cohort

The DEN Ambassador program is a professional learning experience that supports educators as they integrate Discovery Education resources into their teaching practice and share their learning with colleagues. This program fosters teacher leadership, builds capacity, and grows community within a district.

As a DEN Ambassador, you will:

- Collaborate with district colleagues
- Participate in community learning
- Develop digital media skills
- Explore leadership opportunities
- Grow your professional learning network

DEN Ambassadors:

- Attend three in-person events
- Host one professional learning experience for colleagues
- Participate in weekly on-line discussions
- Meet monthly with building administrator or instructional coach to highlight program milestones
